

2022 Wild Child Outlaw Super Late Model and Modified Format

Outlaw Super Late Models (100 Laps)

- Hoosier F35/F45 tires will be the official tires for this event due to F70 shortage. Tires will be available at the track on race day. Tires will be powdered and recorded in our data base for every car. There is no soaking of the tires permitted. Tires will be inspected, and tire samples may be taken and sent to Blue Ridge Labs for analysis.
- Only 4 tires per car may be purchased on race day.
- Teams may practice on any tire.
- Outlaw Super Late Models will single car 2 lap qualify for this event.
- Top 16 will be locked into A Feature. Feature will start 20 cars.
- Top 10 qualifiers will "Draw" for A-Feature starting position starting with Fast Qualifier.
- There will be no heat races for this division.
- Top 4 cars from B-Feature will transfer to A-Main.

(As of 6/20/22, we are actively looking for sponsor \$\$ to raise start pay. This purse is minimum paid.)

Modifieds (75 Laps)

- Tires will be the Hoosier F70. We are working to make this a 4-tire event. Tire availability will determine this. We will have a final answer by Noon 6/24/2022. Teams may use their Certified Impounded tires if they choose. There will be no tire soaking allowed. Tires will be powdered, serial numbers recorded and inspected. Tire samples may be taken and sent to Blue Ridge Labs if deemed necessary.
- Teams may practice on any tire.
- Modifieds will single car 2 lap qualify for this event.
